DISCOVER THE PERFECT CUP, EXPERIENCE THE PERFECT ROAST

We are passionate about quality and dedicated to a simple but demanding philosophy: always serve great coffee.

WHY ROAST 440?

Roast 440 is our own brand of coffee, designed with independent coffee shops, cafes, pubs, restaurants and hotels in mind.

Roast 440 provides a high-quality range of coffee beans and filter coffees to suit every taste, with a variety of roasts plus single origin and Rainforest Alliance options. Each blend has been carefully selected and balanced, using the finest coffee beans for each application, so you can be confident of delivering a perfect cup of coffee every time.

DID YOU KNOW?

440°F is the optimum roasting temperature for coffee beans. Less heat would fail to release the maximum flavour and aroma. More heat can cause burning leading to bitterness.

THE RANGE

We start with the finest freshly roasted beans and supply them as whole beans or ground coffee. The blends have been lovingly created to guarantee the quality that gives your customers a great cup of coffee every time. To review the complete range, please see page 50.

A COMPLETE SOLUTION

BRANDED ACCESSORIES

We know that attracting customers is about much more than what goes into the cup. That's why we've created a distinctive and stylish range of marketing materials, branded uniforms, crockery, takeaway cups, point of sale displays and more. Everything it takes to turn great coffee into great business.

COFFEE ENGINEERING

Even with Roast 440's impeccably selected beans, superb roasts and beautiful blends, you can't make great coffee without a great machine. That's why we've got together with the Italian maestros at Cimballi to offer a wide range of professional grade coffee machines. There's a model to suit every type of business and handle every volume of coffee.

GELATO - The Art of Italian Ice Cream			
<i>"Anyone can make gelato. To make the best gelato is the goal."</i>			
Luca Grassi, Founder & Gelato Master.			
The Grassi family have been carefully crafting award-winning gelato in Turin, Italy for over thirty years, based on Grassi family recipes developed at their Michelin Star restaurant in Turin. In fact, their gelato is still served to diners at Al Gatto Nero today, so you could say they have some experience in keeping customers happy. They use nothing but the finest ingredients; fresh or whole fruit wherever possible blended with pure, crisp Piemonte water or creamy, fresh milk from their own herd of dairy cows, while the only preservative they ever use is very cold air.

The World's Tastiest Gelato

GelARTo by Menodiciotto have been making delicious gelato in Turin, Italy since 1956, when we first served it to customers at our Michelin star restaurant 'Al Gatto Nero'.

We've come a long way since then, but we still remain true to our artisan roots and our 'Quality without Compromise' ethos, ensuring our gelato is the tastiest, most authentic and natural gelato on any menu.
