Intro

Welcome to June's edition of Flavour and our latest new products and promotions. With lockdown restrictions planned to ease further this month we would like to remind customers that we are open and here for you. Our sales reps are back out on the road, fuelled with knowledge and new ideas on how to make your business a success this summer.

A West Country favourite, National Cream Tea Day is on Friday 25th June! We've got the basics covered this month with delicious Cornish strawberry jam, clotted cream and scones all on promotion. The only question is, jam or cream first? See page 52 for all the essentials and see page 61 for an idea on how to serve up a cream tea with a twist.
